WE ARE BACK TO IN-PERSON VISITS!

Vinton County High School
October 2021

Taking a look back...

2018-2019

- 4700 in-person participants in programs/tours:
1160 P-12, 2720 OU, 820 for gallery programs/tours/workshops.
- Exhibitions included *Carrie Mae Weems-The Usual Suspects* and *A Story of Flying: 20 Years of Passion Works*.
- Collaborative K-12 tours with OMC/*Through the Appalachian Forest*.

2019-2020

- About 2400 in-person participants (and 1300 scheduled) by early March when KMA closed.
- We had just opened *Pattern & Disruption*.
- Pivoted to online in a variety of quick ways to finish the semester, both asynchronous and synchronous.
- Most pleasant surprise was virtual VTS.

2020 – 2021

All programming was virtual/KMA opened by appointment to limited numbers in February.

Here are **the positives...**

- *We realized we needed to develop stronger online content to be able to do synchronous class visits (OU and K-12). This led to the summer development of the Virtual Portal, which was used all year to offer both synchronous and asynchronous experiences.*
- *Education student staff encouraged the development of a stronger social media presence to reach their age demographic.*
- *VTS – we continued work with OBP in virtual format, allowing for greater choice in artworks that met the social justice component of the curriculum.*
- *Educational goal for KMA collections: new acquisitions that embody diversity/equity/inclusion.*
- *Synchronous programming: approximately 1650 individuals participating in synchronous visits (860 OU students, 685 P-12 students, the rest a mix).*
- *A lot of new asynchronous material was developed – harder to track use.*

kennedymuseumartedu Special thanks to the Vinton Co. High School Spanish classes for a very successful tour and gallery hunt in our latest exhibitions "LACUNA" and "The Van Gogh Affect"!

Also, in celebration of Día de los Muertos (Day of the Dead), students participated in creating a sunflower to honor people who have passed and to commemorate the artist Vincent Van Gogh.
